Lyndal Dilday	Present	Curtis Doran	Present
Kenneth Moore	Present	Jennifer Schlicht	Present

Mayor Maddox presented the minutes of the April 6, 2026 meeting. Mayor Maddox asked if there were any corrections, additions or deletions to the minutes. With no corrections needed, Mayor Maddox stated the minutes were approved as presented.

Mayor Maddox commended the Iris Festival Board for a job well done during this year's festival.

Gwin Anderson stated the sidewalk project on S. Wilson Street needs to be finished. He stated there needs to be backfill and sod put down and the area needs to be paved. He added the extra concrete that is along the curb needs to be cut out. Mayor Maddox stated he asked Public Works to hold off on that project while we were waiting for paving. He stated he will ask them to complete the project.

Jennifer Schlicht notified the Board of an emergency situation on Evergreen Extended just past where the overpass used to be that she feels needs to be a priority. She stated the shoulder of the road is washing and internet lines are exposed. She stated if someone runs off the road in this area, it is going to create numerous problems. She stated signage needed to be put in this area to deter commercial truck traffic. She stated barrels needed to be put over the area. She added the 35-mph speed limit is a problem in this area. Josh Lassiter stated he put four loads of fill in that spot already but will add more. Ralph Cobb suggested raising the signs so that truck drivers can see them easier. Gwin Anderson suggested requesting a Google/Apple map change so truck drivers don't use Evergreen Ext. but go down to Swanson Drive to access the industrial park. Kenneth Moore suggested contacting the engineers to review this erosion area and others in town so they get filled correctly and last longer.

Lyndal Dilday mentioned the culvert at Hillview that is starting to have some erosion.

Kenneth Moore stated there is constant commercial truck traffic on Evergreen. He stated there are several places that are washing. He stated they need to be filled correctly so it stays put. He added maybe we need to ask engineers so it is done right.

Mayor Maddox stated a pre-construction meeting was held on April 28, 2026 with Luttrell, Colin Johnson, Barry Odle, Josh Lassiter and himself. He stated machinery was moved in for the Parkway project on May 4, 2026 so construction could begin this week, weather pending. Mayor Maddox stated once the Parkway project was completed, the Evergreen Street project would begin. He stated Mr. Kemp still has not signed his easement.

Mayor Maddox presented bids received for paving Evergreen Street and Parkway Street. He stated a portion of Parkway Street will need to be milled. He stated there is approximately $308,000 in the budget for paving. He stated a bid was received from Ford Construction totaling $350,658.85. A bid was received from Martin Paving totaling $433,501.15. Union City Paving submitted a bid totaling $406,785.00. Gwin Anderson made a motion to accept the bid from Ford Construction totaling $350,658.85. Lyndal Dilday seconded the motion. Lyndal Dilday asked if we get to keep any of the milling. Josh Lassiter stated he thought the paving companies keep some of the milling to be added back in to the paving mix. He stated he would ask about keeping any of the extra they do not use. Anderson, Cobb, Dilday, Doran, Moore and Schlicht all voted yes. The motion passed with a vote of 6 to 0.

Mayor Maddox presented Budget Amendment Resolution 2026-17 for approval. Carla Edwards explained each line item. Lyndal Dilday made a motion to approve Budget Amendment Resolution 2026-17. Gwin Anderson seconded the motion. Anderson, Cobb, Dilday, Doran, and Schlicht all voted yes. Moore voted no. The motion passed with a vote of 5 to 1.

Mayor Maddox presented Budget Ordinance 2026-02 to adopt the budget for fiscal year 2026-2027 on first reading. He stated the budget presented is balanced with some capital outlay items removed. He stated the State Street Aid, SCBAs, camera trailer and sewer rehab were left in the budget. He stated there was a 3% raise included for all employees except the Police Department. He added that Chief Chandler chose to remove the extra officer in his budget to allow for more pay for his current officers. Mayor Maddox stated there was a 10% increase in the water and sewer base rates to comply with recommendations from the rate study that MTAS performed. Lyndal Dilday made a motion to adopt Budget Ordinance 2026-02 on first reading. Gwin Anderson seconded the motion. Kenneth Moore asked for a copy of the rate study to be sent out to the Board. He asked if there was an increase to the sanitation rates. Mayor Maddox stated RaeKar has a 3% increase each year in their contract. He stated there was a need to increase the rates an additional 1% for our responsibility to the landfill. Kenneth Moore asked why the outside city limit rate was not changing. Mayor Maddox stated that was the recommendation from MTAS. Lyndal Dilday asked how long the contract was for with RaeKar. Mayor Maddox stated five years with a 3% increase each year. Jennifer Schlicht asked if there was an employee evaluation. Mayor Maddox stated there was an annual employee evaluation performed by each department head. She asked if the 3% raise was a merit raise. Mayor Maddox stated it was a cost-of-living raise. Curtis Doran asked for confirmation that MTAS recommended the 10% water and sewer rate increase. Mayor Maddox stated that was correct. Ralph Cobb stated his concern with people on fixed incomes and having to pay higher bills. Mayor Maddox stated the bills are printed and due the same time of the month every month. With no further discussion, Anderson, Cobb, and Doran voted yes. Dilday, Moore and Schlicht all voted no. Mayor Maddox broke the tie by voting yes. The motion passed with a vote of 4 to 3. Mayor Maddox stated a public hearing would be held prior to the June 1, 2026 board meeting.
